Flow Measuring Instruments

Acrylic Body Rotameter	Metal Tube Rotameter	Acrylic Body Rotameter with Valve
Low Flow Rotameter	Glass Tube Rotameter	By Pass Rotameter
Variable Area Flowmeter	Purge Rotameter	Flow Switch
Electromagnetic Flowmeter	Pitot Tube	Full View Sight Flow Indicator
Rotary Type Sight Flow Indicator	Turbine Flowmeter	Orifice Flange with DP Transmitter
Handheld Ultrasonic Flowmeter	Double Window Sight Flow Indicator	Thermal Mass Flow Meter
P.D Meter	Low Flow Glass Tube Rotameter	

Level Measuring Instruments

|		
Side Mounted Magnetic Level Indicator (Bi Colour Type)	Side Mounted Magnetic Level Indicator with Transmitter	Side Mounted Magnetic Level Indicator
Top Mounted Magnetic Level Switch	Side Mounted Magnetic Level Indicator Flapper type	Side Mounted Magnetic Level Switches
Top Mounted Level Switch	Tubular Level Indicator	Side Mounted Tubular Level Indicator
Float Operated Level Transmitter	Liquid Level Switches	Float & Board Type Level Indicator
Side Mounted Sub Miniature Level Switch	Reflex Level Gauge	Hydrostatic Level Transmitter
Capacitance Type Level Transmitter	Displacer Level Switch Series SF/DLS	Conductivity Level Switch Series SF/CLS
Radar Type Level Transmitter	Vibrating Fork Level Switch Series SF/VFLS	RF Type Level Switch

Level Measuring Instruments

Rotary Paddle Level Switch Series SF/RPLS

Cable Float Level Switch

Ultrasonic Level Transmitter

Pressure Measuring Instruments

Acrylic Body Inclined Manometer

Differential Pressure Gauge 0-35 bar

Low Pressure Digital Manometer

Mc-Leod Gauges

Differential Pressure Transmitter

Single Limb Manometer

Pressure Transmitter

Acrylic Body U Tube Manometer

Smart Differential Pressure Transmitter

U Tube Manometer

Acrylic Body Manometer

Industrial Pressure Gauge

Absolute Vacuum Manometer

Vacuum Gauge

Magnahelic Gauge

Digital Pressure Gauge

Weatherproof Differential Pressure Transmitter

Temperature Measuring Instruments

|		
Temperature Transmitter	Digital Temperature Gauge	Pt100 Thermocouple Sensor
Temperature Gauge	PT100 RTD Temperature Sensor	Pt-100 Sensor
Thermocouple	Flameproof Loop Power Indicator	Flp Digital Temperature Indicator
Rtd Pt 1000 Temperature Sensor	R Type Thermocouple	S Type Thermocouple
Digital Temperature Indicator & Controller	Thermowell	

Flame Arrester Manufactures

Flame Arrestor	Pressure Reducing Valve	Pressure Relief Valve
Safety Valves	Basket Type Strainer	Breather Valve

ABOUT SUNFLOW INSTRUMENTS (INDIA)

Established in the year 2006, We **SUNFLOW INSTRUMENTS (INDIA)**
ISO 9001:2015 certified company are among the leading manufacturers, suppliers, exporters and importers of a broad array of optimum quality Process Control Measuring Instruments & Valves. The product range offered by us consists of Flow Measuring Instruments, Pressure Measuring Instruments and Level Measuring Instruments. To ensure high standards of quality, the raw materials are procured from Russia, Germany and Italy. In addition to this, the offered Process Control Measuring Instruments are available with us in user-defined specifications and requirements. For engineering of these Process Control Measuring Instruments compliance with the market trends, our engineers and technicians make use of cutting-edge and sophisticated equipment and machinery. Offered range is highly appreciated for their high performance, minimum maintenance, compact design, longer serving life and easy installation.

Prestrop Agies ltd., Chemisyeth ltd., Mangalam Drugs, Aarti Drugs, Kutch Chemicals and Navin Flourine are some of our valuable customers that are associated with us since the inception of our company. By setting up a wide distribution network, we have been successful in delivering the offered range at the customers' end within the stipulated time frame.

SUNFLOW INSTRUMENTS (INDIA)
an ISO 9001:2015 certified company
Manufacturer of Process Control Measuring Instruments

Address :

Gala No. 46, Ganesh Nagar No. 1,
Cama Industrial Estate,
Walbhat Road, Goregaon East
(Near Near Tip Top Grain Store),
Mumbai - 400063,
